

# Pearl Jam, Let Me Love Open The Door

When people keep repeating that you'll never fall in love  
When everybody keeps retreating, but you can't seem to get enough  
Let my love open the door, let my love open the door  
Let my love open the door to your heart  
Let my love open the door, ooh  
Let my love open the door  
Let my love open the door, ooh  
Let my love open the door  
When everything feels all over, everybody seems unkind  
I'll give you a four-leaf clover, take all worry out of your mind  
Let my love open the door  
Let my love open the door  
Let my love open the door to your heart  
Let my love open the door, ooh, to your heart  
Let my love open the door, ooh  
Let my love open the door, ooh  
Let my love open the door, ooh  
I got the only key to your heart  
I can stop you falling apart  
Try today, you'll find this way  
Come on and give me a chance to say  
Let my love open the door, it's all I'm living for  
Release yourself from misery  
There's only one thing going to set you free  
That's my love, that's my love  
Let my love open the door (to your heart)  
Let my love open the door (to your heart)  
Let my love open the door (to your heart)  
Let my love open the door  
When tragedy befalls you, don't let it drag you down  
Love can cure your problems, you're so lucky I'm around  
Let my love open the door  
Let my love open the door  
Let my love open the door to your heart
