

# Pearl Jam, Lightning crashes

Lightning crashes, a new mother cries  
her placenta falls to the floor  
the angel opens her eyes  
the confusion sets in  
before the doctor can even close the door  
Lightning crashes, an old mother dies  
her intentions fall to the floor  
the angel closes her eyes  
the confusion that was hers  
belongs now, to the baby down the hall  
Oh now feel it comin' back again  
like a rollin' thunder chasing the wind  
forces pullin' from the center of the earth again  
I can feel it.  
Lightning crashes, a new mother cries  
this moment she's been waiting for  
the angel opens her eyes  
pale blue colored iris,  
presents the circle  
and puts the glory out to hide, hide
