

Pearl Jam, Three Little Birds

Said a-don't worry 'bout a thing...worry 'bout a thing now...
Every little thing is gonna be alright...alright...

Said a-don't worry 'bout a thing...
Every little thing is gonna be alright...alright...

Woke up this mornin', cried with the rising sun
Three little birds were on my doorstep
Singin' sweet songs of melodies pure and smooth
Singin, 'this is a message to you'

I said a-don't worry about a thing...worry 'bout a thing now...
Every little thing's gonna be alright...alright...
Said a don't worry about a thing...worry 'bout a thing now...
Every little thing, yeah, is gonna be alright...alright...yeah...
