

Pearl Jam, Wash

Oh please, let it rain today
This city is so filthy, like my mind in ways
Oh, was a time, like a clean, new taste
Smiling eyes before me, inches from my face
Wash my love (2x)
Wash my love, yeah...
Sin to sell, buying just a need
Just who planted, all the devils seeds
And what the truth, and the truth that lies at home
It's on the inside, and I can't get it off, yeah...
Wash my love (2x)
Wash my love, yeah...
What's clean is pure, but hey, I'm white on the outside, though I stray
What she don't know today, might kill us both tomorrow, bring it back someday
Bring it back, bring it back, back to the clean form, to the pure form
Wash my love (8x)
Ooh...
