

Pearl Jam, You've Got To Hide Your Love Away

Here I stand, head in hand
turn my face to the wall
if, shes gone, I cant go on
feeling two foot small
Everywhere, people stare
Each and every day
I can see them laugh at me
and I hear what they say
Hey, youve got to hide your love away (x2)
How can I even try?
I can never win
Hearing them, seeing them,
In the state Im in
How could she
say to me, "love will find a way"?
gather round all you clowns
let me hear you say
Hey, youve got to hide your love away (x2)
