

Pedestrian, Headwreck

Please let me give you my love now
Please let me give you this let down
I'm gonna give you what you need
I'm gonna give you what you need
Please let me give you this knockout

Please let me give you this red dress
Please let me give you this headwreck
I'm gonna give you what you need
I'm gonna give you what you need
Please let me give you this big mess

Love love love
Love love love
Love love love
Love love love

(stuff)

Please let me share with you my room
Please let me share with you my womb
I'm gonna give you what you need (please let me share with you my wounds)
I'm gonna give you what you need (please let me share with you my wounds)
I'm gonna give you what you need (please let me share with you my wounds)
I'm gonna give you what you need (please let me share with you my wounds)
I'm gonna give you what you need (please let me share with you my wounds)
I'm gonna give you what you need (please let me share with you my wounds)
I'm gonna give you what you need (please let me share with you my wounds)

Love love love
Love love love
Love love love
Love love love

(stuff again)
