

Pedestrian, Sick Love

I'm not your father, forget that psychology

His way of loving's got nothing on me

Poison me quickly and leave me to be
Insult this injury and keep me from peace

FOR ALL THE BLOOD WE SHARED, SICK LOVE IS SICK LOVE

KEEP YOUR SICK LOVE AWAY

Grant me permission, complete your anthology

Tie the not quickly and leave this to be

Call me uncertain in your third person trilogy

Fill your void trashing me and your way of mothering

FOR ALL THE BLOOD WE SHARE, SICK LOVE IS SICK LOVE

KEEP YOUR SICK LOVE AWAY

ALL THIS IS NOTHING AND SO I FEEL NOTHING, NOTHING IS LEFT HERE FOR ME

ALL THIS IS NOTHING AND SO I FEEL NOTHING , NOTHING IS LEFT HERE TO SEE

This is not personal , this is no fantasy

Rip me apart with all your ability

Does it feel better, you fuck me with violence

Kisses like snake tongue-tide tormented tolerance

FOR ALL THE BLOOD WE SHARED, SICK LOVE IS SICK LOVE

KEEP YOUR SICK LOVE AWAY

ALL THIS MEANS NOTHING AND SO I MEAN NOTHING, NOTHING'S BEEN STOLEN FROM ME

ALL THIS MEANS NOTHING AND SO I MEAN NOTHING, NOTHING WAS HERE TO SEE
