

Pedro Costa, Red Dog

Yeah!

I don't mind having four legs, or taking walks in the rain.
I'm a furry Casanova, check out that babe on the chain.
Hello Ladies they call me Red Dog,
Now how's about your name?

I don't mind shedding my fur, it gets too hot anyways.
It's a Red Dog innuendo, I'll send you into a daze.
OK Lady you've been with Red Dog.
But only for today!
