

# Pennywise, 6th Avenue Nightmare

This is no way to live a life  
The urban planning genocide  
We have no hope or civic pride  
They don't care if we live or die  
It's not fair when you start with nothing  
Your life feels done just before it starts  
We're just trying to believe in something  
6th Avenue Nightmare  
and our fate is set  
6th Avenue Nightmare  
What you see is what you get  
Another Day in living hell  
It's street life or a prison cell  
The violence a cry for help  
The cycle will repeat itself
