Pennywise, Wake Up

woke up this morining hoping for a better day gotta make a change right now gotta find a better way i took a good look at my problems and their piling up in my head gotta take a chance right now before i wind up dead

wake up my friend someones knocking at your door last chance for you its time to even up the score so many reasons for living but you wont even try wake up and take back your life

When i look in the mirror i dont like what i see im like a stranger in a foreign town it doesnt even look like me gotta find a way back to the place where i belong dont know where im going but i know where im going wrong

wake up my friend someones knocking at your door last chance for you its time to even up the score so many reasons for living but you dont even try wake up and take back your life
