Pere Ubu, Chinese Radiation

He'II be the red guard She'Il be the new world He'Il wear his grey cap and she'II wave her red book He'II tell her One way? I want you all ways One way And then they'Il sing I was lost at sea She was lost with me Then across the broad horizon out on the Big Waves I saw it coming I saw the red quard I saw the new world I saw the Big Wall out on the Big Waves Hooray! (That's what I had to say) Hooray! We will purify We must purify For the sake of that security we all want We will purify He'Il be the red guard She'Il be the new world He'Il wear his grey cap She'Il wave her red book
