

# Perfect Stranger, You Have The Right To Remain

Can I have this dance my you're looking pretty  
Is there something wrong did he leave you hurting  
I don't mean to pry but that tear in your eye gave you away  
If you don't want to talk we'll keep it quiet  
But sometimes a heartache hurts worse if you hide it  
I think there's a chance one slow dance might ease the pain

You have the right to remain silent  
Anything that you say as I hold you against me  
Will forever be a secret between us two  
I've been wanting you but you didn't know it  
And now that he's gone at last I can show it  
If your heart is tired for the rest of your life  
Lay your love on me

So many times my eyes have held you  
Tonight please give my arms that chance  
If you don't feel the need for conversation  
We'll just let our hearts talk while we dance

You have the right to remain silent  
Anything that you say as I hold you against me  
Will forever be a secret between us two  
I've been wanting you but you didn't know it  
And now that he's gone at last I can show it  
If your heart is tired for the rest of your life  
Lay your love on me  
If your heart is tired for the rest of your life  
Lay your love on me
