

# Perl Jam, Last Kiss

Oh where oh where can my baby be  
the lord took her away from me  
she's gone to heaven so i got to be good  
sol can see my baby when i leave this world.  
We were out on a date in my daddy's car  
we hadn't driven very far  
when up in the road, straight ahead  
a car was stalled the engine was dead.  
I couldn't stop so I swerved to the right  
I'll never forget the sound that night  
the screamin tires the bustin glass  
the painful scream that I heard last.

(Chorus)

When I woke up the rain was pouring down  
there were people standing all around  
something warm flowin through my eyes  
but somehow I found my baby that night  
I lifted her head she looked at me and said  
hold me close for just a little while  
I held her tight I kissed her our last kiss  
I found the love I knew I'd miss  
Now She's gone even though I hold her tight  
I lost my love my life that night  
(chorus)
