

Perry Blake, Blue Sky Calling

Bring me to a place
To a place that I love
Bring me to a town
To a town that I know
Where the blue sky calls me
Blue sky calls me home
Home

Sing me a lullaby
That will keep me from harm
And in that lullaby
May I always find calm
There's a blue sky calling
Blue sky calling me home
There's a blue sky calling
Blue sky calling me home
Home.... Home.... Home
