

# Perry Blake, How Can The Knower Be Known?

How can the knower be known John John?

How can the knower be known?

If it rains everyday

If it rains everyday

If it rains everyday

Will you sink?

Will you swim?

Will you sink?

Will you swim?

Will you sing like a bird in jail?

How can the knower be known John John?

How can the knower be known?

If it rains everyday

If it rains everyday

If it rains
