

# Perry Blake, Saying Goodbye

Always dreaming, always dreaming of you

Always on my mind now  
As you've always been  
Some things are best forgotten  
So you can sleep

The world was not enough love  
And baby it'll never be  
Just fall into the arms of  
Someone who'll lie.

And if this is a way of saying goodbye  
Goodbye.  
And if this is a way of saying goodbye  
Goodbye.

Always dreaming, always dreaming of you

Summer fills the canyon  
California free  
The blossoms and the birdsong  
Are all I need

And if this is a way of saying goodbye  
Goodbye.  
And if this is a way of saying goodbye

Goodbye
