

# Perry Como, Another Go Around

I wanna have another go around ( another go around! )  
Another go around! ( another go around! )  
At this old world, this good old world . . .  
And when I do ( and when I do! )  
I still will love no one but you,  
'Cause you're the one who made my dreams come true!

I wanna have another go around ( another go around! )  
Another go around!  
At this old life, this good old life . . .  
And if you're there . . . ( if you are there! )  
I know I'll find you anywhere,  
'Cause you and I have so much love to share!

These precious moments of love will never come again,  
Let me hold you close 'till forever an' then . . .

I wanna have another go around ( another go around! )  
Another go around ( another go around! )  
At lovin' you, my whole life through,

Oh stars above ( Oh stars above! )  
Please grant me what I'm dreamin' of,  
Another go around with love!

&lt; instrumental verse &gt;

( These precious moments of love will never come again,  
Let me hold you close 'till forever, forever, and ever, and then! )

I wanna have another go around ( another go around! )  
Another go around ( another go around! )  
At lovin' you, my whole life through,  
Oh stars above ( Oh stars above! )  
Please grant me what I'm dreamin' of,  
Another go around ( another go around, another go around! )  
With love!
