

Perry Como, I'm Gonna Get Him

When you were a kid
and you wanted a "doll";
you got it!
Don't ask how you did,
but when you were a kid
and you wanted a "doll";
you got it!
You carefully laid out a plan,
when you were a kid
'twas a doll . . .

And now it's a man!

I'm gonna get em!
I'm gonna get em!
Instead of givin' up
an' throwin' in the towel
I'm gonna keep on fightin'
fair or fowl
until I get em!
I'm gonna em!

I'm gonna wear my jewels
an' my ermine wrap
an' if I have to drop my shoulder strap
I'm gonna get em!
I'm gonna em!

An' when I've got him

where I think he otta be . . .
I'm gonna love em, love em
My mission in life will be to "love em";
until he loves me!

I'm gonna get em!
Hmm, I'm gonna get em!
I'll back him in a corner
'till he squirms an' twists
an' if I must put handcuffs
on his wrists
I'm gonna get em!
I'm gonna get em!

He'll know the facts of life
an' when he understands
I'll put a "shotgun"; in my father's hands
an' that'll get em!
I'm gonna em!

An' when I've got him
where I think he otta be . . .
I'm gonna hug em, hug em
I'll hug em and if I have to slug em
he's gonna love, he's gonna love
he's gonna love me!
