

# Perry Como, Long Ago ( And Far Away )

(Yay yay and a-yay yeah)

Yes

(Yay yay and a-yay yeah)

There's been a lot of talk about the game of love

(Yay yay and a-yay yeah)

It's what everybody everywhere is thinking of

(Yay yay and a-yay yeah)

The love bug's as busy as-a he can be

(Yay yay and a-yay yeah)

And I got a funny feeling that he just bit me

(Yay yay and a-yay yeah)

{Cause love makes the world go round and around

Love makes the world go round}

Your pulse will beat and your heart will pound

Cause love makes the world go round

(Yay yay and a-yay yeah)

I met a little guy about-a four feet small

(Yay yay and a-yay yeah)

Who fell in love with Annie who was eight feet tall

(Yay yay and a-yay yeah)

Everytime I see 'em coming down the street

(Yay yay and a-yay yeah)

I know true love just can't be beat

(Yay yay and a-yay yeah)

{Cause love makes the world go round and around

Love makes the world go round}

Your pulse will beat and your heart will pound

Cause love makes the world go round

(Yay yay and a-yay yeah)

A goose got loose at the county fair

(Yay yay and a-yay yeah)

They looked high and low but she wasn't there

(Yay yay and a-yay yeah)

Up jumped a guy saying leave her alone

(Yay yay and a-yay yeah)

A-when she misses old dad she'll come back home

(Yay yay and a-yay yeah)

{Cause love makes the world go round}

(and round and round)

No matter what you do or where you go

(Yay yay and a-yay yeah)

You get kinda lonely when the lights are low

(Yay yay and a-yay yeah)

Everybody's gotta have a love that's true

(Yay yay and a-yay yeah)

And I just gotta have you you you

(Yay yay and a-yay yeah)

{Cause love makes the world go round and around

Love makes the world go round}

Your pulse will beat and your heart will pound

{Cause love makes the world go

Love makes the world go round

Makes the world go round}

(Yay yay and a-yay yeah)
