

# Perry Como, Pianissimo

The melody was played &quot;pianissimo&quot;  
The harmony was so very sweet  
I can't remember the name of that song  
But I do remember dancing in your arms

And then a voice came through &quot;pianissimo&quot;  
With lovely words that seemed to repeat  
I love you darlin' but all I recall  
Are the words you whispered dancing in my arms

&quot;Pianissimo&quot; means &quot;soft n' low&quot;  
And soft and low were your sighs  
Darling, now I know that tender glow  
Was love shining in your eyes

And then we stole away &quot;pianissimo&quot;

And kissed goodnight while stars danced above  
I can't remember the name of that song  
But I do recall it helped us fall in love

&lt; instrumental break &gt;

hmmm . . .

And then we stole away &quot;pianissimo&quot;  
And kissed goodnight while stars danced above  
I can't remember the name of that song  
But I do recall it helped us fall in love
