

Perry Como, Please Believe Me

Someone lights up my heart like the sun,
and that someone is you, please believe me!
You're my starlight when daytime is done
my darling, please darling, believe me!
You're the smile on my lips when I wake,
you're a faith that I'll never forsake!
No one loves with a love that I bring you
please believe me, believe me please do!

< instrumental verse >
You're the smile on my lips when I wake,
you're a faith that I'll never forsake!
No one loves with a love that I bring you
please believe me, believe me please do!
