

Perry Como, Two Little New Little Blue Little Eyes

Two little new little blue little eyes,
sleep, sleep, sleep!
To young to know how we all love you so,
sleep, sleep, sleep!

May the future years all give you
a happy peaceful world to live through
Two little new little blue little eyes,
sleep, sleep, sleep!

< instrumental break >

Hmmm, hmmm . . .

< instrumental break >

. . . sleep, sleep, sleep!
May the future years all give you
a happy peaceful world to live through
Two little new little blue little eyes,
sleep, sleep, sleep!
