

Pestilence, Lost Souls

"Fear of all evil that controls mankind"
Dark sides of life
Unspoken by those in search of the Light
Darkness they will find
Rejecting all evil, taken possession of mankind
Fighting what can't be fought
Minds penetrated, souls will be taken
Days turn into nights
Bodies are falling, hear death calling
Throughout the centuries
Attempts for protection prayers, religion
Signs make you aware
Of it's mass domination, a divine dispensation
Land of tears
Indulge in the temptation
Your mind will show you the way
Ghosts of the damned will guard you
In this journey into decay
Land of tears
Land of tears
