

Pet Shop Boys, Getting Away With It

(People in love People in love People in love People in love
People in love People in love People in love People in love)

(I feel it, I feel it, I feel it, I feel it,
I feel it, I feel it, I feel it, I feel it,
I feel it, I feel it, I feel it, I feel it,
I feel it, I feel it, I feel it, I feel it)

(People in love People in love People in love People in love
People in love People in love People in love People in love)

(Take it from the top)

Did you ever walk on a stormy night

Oblivious to the rain?

Did you ever decide that the time was right

And you'll never go home again?

Forever in love, were you ever in love?

Forever in love, were you ever in love?

Forever in love, were you ever in love?

Forever in love, were you ever in love?

(I feel it, I feel it, I feel it, I feel it,
I feel it, I feel it, I feel it, I feel it,
I feel it, I feel it, I feel it, I feel it,
I feel it, I feel it, I feel it, I feel it)

Forever in love, were you ever in love?

Forever in love, were you ever in love?

Forever in love, were you ever in love?

Forever in love, were you ever in love?

(Ye-yeah-ye-yeah-ye-yeah-ye-ye-yeah

Ye-yeah-ye-yeah-ye-yeah-ye-ye-yeah

Ye-yeah-ye-yeah-ye-yeah-ye-ye-yeah

Ye-yeah-ye-yeah-ye-yeah)

(Y'all ready?)
