

Pet Shop Boys, I Want A Dog

I want a dog,
A chihuahua
When I get back to my small flat
I want to hear somebody bark
Oh, you can get lonely

Don't want a cat,
Scratching its claws all over my
Habitat
Giving no love and getting fat
Oh, (oh oh) you can get lonely
And a cat's no help with that

(Bulldog, hound, pug, labrador,
Collie, retriever, Dobermann-pinscher,
Husky, dalmatian, St. Bernard and dachshund,
Mongrel, beagle, cocker spaniel)

I want a dog,
To walk in the park
When it gets dark, my dog will bark
At any passers-by
Oh, (oh oh) you can get lonely
I want a dog

I want a dog,
A chihuahua
When I get back to my small flat
I want to hear somebody bark
Oh, (oh oh) you can get lonely
