

# Pet Shop Boys, I Want A Dog

I want a dog,  
A chihuahua  
When I get back to my small flat  
I want to hear somebody bark  
Oh, you can get lonely

Don't want a cat,  
Scratching its claws all over my  
Habitat  
Giving no love and getting fat  
Oh, (oh oh) you can get lonely  
And a cat's no help with that

(Bulldog, hound, pug, labrador,  
Collie, retriever, Dobermann-pinscher,  
Husky, dalmatian, St. Bernard and dachshund,  
Mongrel, beagle, cocker spaniel)

I want a dog,  
To walk in the park  
When it gets dark, my dog will bark  
At any passers-by  
Oh, (oh oh) you can get lonely  
I want a dog

I want a dog,  
A chihuahua  
When I get back to my small flat  
I want to hear somebody bark  
Oh, (oh oh) you can get lonely
