

Pet Shop Boys, I Wouldn't Normally Do This Kind

I wouldn't normally do (do do do)
I wouldn't normally do (do do do)
There is no long countdown
I wouldn't normally do (do do do)
There is no backup
Now or never, here it comes
(People say I'm crazy)
(People say I'm crazy)
(People say I'm crazy)
Ask me why,
I say it's most unusual
How can I even try to explain
Why today I feel like dancing
Singing like lovers sing
I wouldn't normally do
I wouldn't normally
I wouldn't normally do
I wouldn't normally
Ask me when,
I say it started when I met you
And ever since then I knew that the past couldn't last
For right now, I think I'm running
A race that I know I'm gonna win
I wouldn't normally do
I wouldn't normally
I wouldn't normally do
I wouldn't normally
I wouldn't normally do (even try)
I wouldn't normally do (even try)
(I feel like dancing)
(I feel like dancing)
I wouldn't normally do (why today)
