

# Pet Shop Boys, In Private (Stuart Crichton Club Mix)

In private

Take your time and tell me  
why you lied  
I realise that we've been found out  
this time  
We should stand together if we can  
but what you've planned  
means there's a difference between...

What you're gonna say in private  
You still want my love  
We're in this together  
And what you're gonna do in public  
Say you were never in love  
that you can remember

So discreet  
I never tried to meet  
your friends or interfere  
I took a back seat between...

What you're gonna say in private  
You still want my love  
We're in this together

And what you're gonna do in public  
Say you were never in love  
that you can remember

And what you gonna say  
when you run back to your wife?  
I guess it's just the story of my life  
What you gonna say?

So take your time and tell me  
why did you lie  
or I may publicise  
that there's a difference between...

What you're gonna say in private  
You still want my love  
We're in this together  
And what you're gonna do in public  
Say you were never in love  
that you can remember
