

Pet Shop Boys, In The Night (1995)

Zazou, whatcha gonna do?
There's a lot of people and they're coming for you
Zazou, comment allez-vous?
A knock on the door in the night

That Zazou, he don't care
The dark glasses
The long hair
Takes his time
Sneers at men
Some ugly people want revenge

Zazou comment allez-vous?
A knock on the door in the night
In the night

That Zazou he sleeps all day
Then down to Select or Le Collissee
Sips his drinks, orders more
Says what he thinks and it's a crazy war

Zazou, whatcha gonna do?
A knock on the door in the night

Zazou comment allez-vous?
A knock on the door in the night

And when the soldiers strut
All he cares about is love
When the flags are out
All he cares about is love
Well there's a thin line between love and crime
And in this situation
A thin line between love and crime and
Collaboration

In the night

In the night

In the night

Zazou whatcha gonna do?
There's a lot of people and they're coming for you
Zazou, comment allez-vous?
A knock on the door in the night

Now everybody's under somebody's spell
Unless they've already gone to Hell
In the streets you can hear the people say
"That Zazou, he should be locked away!"

And when the soldiers strut
All he cares about is love
When the flags are out
All he cares about is love
Well there's a thin line between love and crime
And in this situation
A thin line between love and crime and
Collaboration
