## Pet Shop Boys, Later Tonight

You wait 'til later 'Til later tonight You wait 'til later, 'til later 'Til later tonight

That boy never cast a look in your direction Never tried to hook for your affection Dresses like the mod of your invention, tall and proud He is the head boy of the school of thought That plays in your intentions, night and day

And you wait 'til later 'Til later tonight You wait 'til later, 'til later 'Til later tonight

And you wait 'til later
'Til later tonight
You wait 'til later, 'til later
'Til later tonight
'Cause tonight always come
