## Pet Shop Boys, Suburbia

Lost in the high street, where the dogs run Roaming suburban boys Mother's got a hairdo to be done She says they're too old for toys Stood by the bus stop with a felt pen In this suburban hell And in the distance a police car To break the suburban spell

Let's take a ride, and run with the dogs tonight In Suburbia You can't hide, run with the dogs tonight In Suburbia

Break the window by the town hall Listen, the siren screams
There in the distance, like a roll call Of all the suburban dreams

Let's take a ride, and run with the dogs tonight In Suburbia You can't hide, run with the dogs tonight In Suburbia

I only wanted something else to do but hang around I only wanted something else to do but hang around I only wanted something else to do but hang around I only wanted something else to do but hang around

It's on the front page of the papers This is their hour of need Where's a policeman when you need one To blame the colour TV?

Let's take a ride, and run with the dogs tonight In Suburbia You can't hide, run with the dogs tonight In Suburbia

Take a ride, and run with the dogs tonight In Suburbia You can't hide, run with the dogs tonight In Suburbia

Run with the dogs tonight In Suburbia You can't hide In Suburbia In Suburbia In Suburbia In Suburbia
