

# Pete Doherty, Can't Stand Me Now

An ending fitting for the start  
You twist and tore our love apart  
Your light fingers threw the dark  
That shattered the lamp and into darkness cast us

No, you've got it the wrong way round  
You shut me up, and blamed it on the brown  
Cornered the boy kicked out at the world  
The world kicked back a lot fuckin' harder now

If you wanna try  
If you wanna try  
There's no worse you could do  
Uh oh oh

I know you lie  
I know you lie  
I'm still in love with you  
Uh oh oh

Can't take me anywhere (I'll take you anywhere)  
Can't take me anywhere, (Wouldn't take you anywhere)  
I'll take you anywhere you wanna go

Oh, you can't stand me, no you can't stand me  
No, you can't stand me, no you can't stand me  
No, you can't stand me, no you can't stand me  
No, you can't stand me, no you can't stand me now

Have we enough to keep enough to keep it together?  
Or do we just keep on pretending  
And hope our luck is never ending now  
You tried to pull the wool I wasn't feeling too clever  
And you take all that they're lending  
Until you need amending now

If you wanna try  
If you wanna try  
There's no worse you could do  
Uh oh oh

I know you lie  
All you do is make me cry  
All these words they ain't true

I can't take me anywhere, I can take you anywhere  
You can't take me anywhere, I will take you anywhere  
I'll take you anywhere you wanna go

Oh, you can't stand me, no you can't stand me  
No, you can't stand me, no you can't stand me  
No, you can't stand me, no you can't stand me  
No, you can't stand me, no you can't stand me

(Repeat)  
No oh oh  
You can't stand me now  
Oh oh oh
