

Pete Murray, To A Friend

Waiting for the summer to come, and i am falling into a deeper slum cuz i am thinking how we were

CHORUS:

i think you know every secret that i hold. and i think you know every dream that i ever told. Na na n

My friend i think its time we caught up and i feel the years are going by so fast. i think that we shou

CHORUS:

i think you know every secret that i hold. and i think you know every dream that i ever told. Na na n
