

# Pete Townshend, Face Dances Part Two

I watch you sit and twitching  
With a match between your teeth  
You seem to have a knack of moving it  
It's in time to the beat

Face dances tonight  
Fate chances moonlight  
Face dances tonight  
Fate chances moonlight

I can't be distracted  
By the stuttering of the kids  
I just sit enraptured  
By your fluttering eye lids

Face dances tonight  
Fate chances moonlight  
Face dances tonight  
Fate chances moonlight

I can only stare  
You make me feel  
Like I don't care

I can only stare  
You make me feel  
Like I don't care

I can only stare  
You make me feel  
Like I don't care

Your eyes explain a story  
That never had a start  
Your brow reveals the glory  
That's hidden in your heart

Face dances tonight  
Fate chances moonlight  
Face dances tonight  
Fate chances moonlight

Your skin is fine china  
White as winter snows  
Your lips are always shining  
Turning up your nose

Face dances tonight  
Fate chances moonlight  
Face dances tonight  
Fate chances moonlight

I can only stare  
You make me feel  
Like I don't care
