

Pete Townshend, Let's See Action

Let's see action. Let's see people
Let's see freedom. Let's see who cares
Take me with you. When you leave me
And my shell behind us there

I have learned it. Known who burned me
Avatar has warmed my feet
Take me with you. Let me see you
Time and life can meet
Rumor has it. Minds are open
Then rumors fill them up with lies
Future passing. Nothing lasting
I try to scream, 'cause nothing dies

Nothing is everything
Everything is nothing is
Please the people, audiences
Break the fences, nothing is

Let's see action. Let's see people
Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

Let's see action. Let's see people
Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

(Guitar Solo)

Let's see action. Let's see people
Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

Give me a drink boy wash my feet
I'm so tired of running from my own heat
Take this package and here's what you do
Gonna get this information through

I don't know where I'm going
I don't know what I need
But I'll get to where I'm gonna end up
And that's alright by me

I've been running from side to side
Now I know for sure that both sides lied
It's got so hard but we gotta keep trying
I can't stand to see my people crying

I don't know where I'm going
I don't know what I need
But I'll get to where I'm gonna end up
And that's alright by me

(Ad Libs)

I don't know where I'm going
I don't know what I need
But I'll get to where I'm gonna end up
And that's alright by me

Let's see action. Let's see people

Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

Let's see action. Let's see people
Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

Nothing is
Everything is
