

Pete Townshend, Now And Then (Reprise)

Now and then you see a soul and you fall in love
You can't do a thing about it
Now and then you see a soul and you fall in love
You can't do a thing about it
Now and then you see a soul and you fall in love
You can't do a thing about it
Now and then you see a soul and you fall in love
You can't do a thing about it

""RASTUS:""

"Yeah!"

""RUTH:""

"It's a great vision."

""RASTUS:""

"Yeah!"

""RUTH:""

"We must try and start again, it could save the planet."

""RASTUS:""

"Yeah!"

""RUTH:""

"Shut up, Rastus. So, when you're ready, sweetheart."

For though you knew that I was twice your age
To make you laugh seemed youth enough
I thought we'd love and then you'd turn the page
I'd have to suffer your rebuff

And it was me who had the most to gain
Despite the fact that I now have lost
The only love that ever caused me pain
I feel like a double head was tossed

Now and then you see a soul and you fall in love
Now and then you see a soul and you fall in love
Now and then you see a soul and you fall in love

Now and then you see a soul and you fall in love
You can't do a thing about it
(You can't do a thing about it)
Now and then you see a soul and you fall in love
You can't do a thing about it

(Can't do a thing about it, no no no)
Now and then you see a soul and you fall in love
You can't do a thing about it
(Can't do a thing about it)
