

# Pete Yorn, Someday, Someday

Always so much harder  
Than you thought it would be  
You throw it all away  
When they come calling  
Never the one for a long goodbye  
Leave before the end  
Then you're off running

Should've seen the truth  
But you held it so tight  
Hidden so well that it fooled me  
Now you're out walking on the edges of life  
Selling that same old smile  
Just to get by

Ooh Ooh Ooh  
Someday I'll  
Someday I'll try  
Ooh Ooh Ooh  
To forget the look in your eyes  
Ooh Ooh Ooh  
Someday I'll  
Someday I'll try

You told me  
You're afraid of the sea  
Like your family  
Always falling down  
All this time  
In an endless night  
With a weary heart  
Leads to mornin' time

Should've seen the truth  
But you held it so tight  
Hidden so well that it fooled me  
Now you're out walking on the edges of life  
Selling that same old smile  
Just to get at me  
Yeah

Ooh Ooh Ooh  
Someday I'll  
Someday I'll try  
Ooh Ooh Ooh  
To forget the look in your eyes  
Ooh Ooh Ooh  
Someday I'll  
Someday I'll try
