

Peter Alexander, Perre Ler (I'm 14)

I'm like a fourteen
a man with different faces
like all feeling the ups and downs
i will tell you something about myself

Honest sometimes smiling
although not the same as before
in love with god
in my own world i make it and
i aim to end but have not yet reached
i've got you in the eyes, take me remember

Perre ler i'm 14 years
i look pretty young
and in the spirit and in the flesh
cuz this is it what i
perre Ler i'm 14 years
happy and sad good and bad
because it's always me

The good is coming when you are the same and the evil
going on the similar
but you cannot say in such the way an opposite
because it all depends on you
you must meet the body and the mind to go through life
but i will be always with this statement

Perre ler i'm 14 years...

Be yourself because life wants from you this
it adapts to you
the vestibule is his every breath
when you understand that you are alive

Ooh

Perre Ler i'm 14 years...

It's always me i'm 14 years
