

# Peter Alexander, So Hot

So ok  
So hot

So hot - cause we having fun together  
So hot - we are on the dancefloor center  
The party takes, the music plays  
And us is just so hot, yeah

Hey DJ don't stop the music play  
Cuz we're having great mood  
Everyone wants have fun to next day  
Nothing can stop us woood!  
Heat - this everyone feels  
Through having good time  
We're waiting for further thrills  
You also can't stop us cuz is fine

So hot - cause we having fun together  
So hot - we on the dancefloor center  
The party takes, the music plays  
And us is just so hot, yeah

On and on smile from my face doesn't dissapears  
On and on I'm meeting junketeers  
On and on I can't get enough be glad  
And on and on I am so hot

C'mon c'mon barman serve a drinks!  
Is too hot so we need invigorate  
On the dancefloor crowd of people that are dancing  
And disco ball is rotate  
If you feel this climate join us  
Don't forget about ecstasy and  
Take with you joy and pass  
Be sure we don't wanna the end

So hot - cause we having fun together  
So hot - we on the dancefloor center  
The party takes, the music plays  
And us is just so hot, yeah/x2

And us is just so hot, yeah
