

Peter And The Test Tube Babies, Spirit Of Keith Moon

As I stood in the lobby waiting for my key, I felt something strange happening to me.
I rushed up to my room and shut the door, the room was empty but I weren't alone no more.

Well a voice spoke to me but it weren't my own, someone was coming thru' on the psychic telephone
He said "Hi Arsehole" I'm coming thru', let's have some fun now and smash up this room

I wanna throw things out the window, I wanna smash up the room.
'Cause I've been possessed by, the spirit of Keith Moon.

Well out the window went the TV followed by the phone,
then we covered all the walls with fire extinguisher foam.
We tore the sink from the wall and let the bath overflow,
then watched it hit the pavement, ten floors below.
