

Peter Andre, Letting You Go

As the tears roll down my face
Lost in memories
Time won't ever erase
I can't help but think of
Endless nights of sweet love we made
And I, and I don't think I'll ever get you out of my mind
And I don't know what I'm gonna do
Or what it's gonna take to get over you

Letting you go
It's the hardest thing I've ever done
Watchin' you turn and walk away
Maybe in time I'll find the pain will all be gone
Letting you go
Wishing I could make you stay

Looking at you one last time
How I long to hear you say
Let's give it one more try
But I know you're going
Trying to stop my tears from showing
And I, how can I sleep, how can I, live without
The one who's still holdin' my heart
The one that I still need right here in my arms

Letting you go
It's the hardest thing I've ever done
Watchin' you turn and walk away
Maybe in time I'll find the pain will all be gone
Letting you go
Wishing I could make you stay

Out in the rain
Out in the cold
Out in the cold
Oh baby you're still the one
That I need to hold
I'm letting you go

Letting you go
It's the hardest thing I've ever done
Watchin' you turn and walk away
Maybe in time I'll find the pain will all be gone
Letting you go
Wishing I could make you stay (rpt to fade)
