

Peter Bjorn And John, Let's Call It Off

When you decided to knock on my door.
Did you remember what happened before?
It just didn't sparkle it just didn't grow.
Somethings are better to leave unexplored.

Did you agree, we should let it be,
And did you agree, It's a must...
Let's call the whole thing off.
We just have had enough of us.
Let's call the whole thing off.
We just have had enough of us.

I know many people who met the same way.
Relations that lastet for more then one day.
But i don't wanna know why we couldn't do more.
Somethings are better to leave unexplored.

Did you agree, we should let it be,
And did you agree, It's a must...
Let's call the whole thing off.
We just have had enough of us.
Let's call the whole thing off.
We just have had enough of us.
Let's call the whole thing off.
We just have had enough of us.
Let's call the whole thing off.
We just have had enough of us
