

# Peter Cetera, Restless Heart

I don't wanna lose you  
I don't want you walking away  
We're so good together  
Tell me it's forever  
'Cause I want you to stay

I'll be damned if  
I'm living without you  
And as long as I live  
You will know

I just wanna build  
My world around you  
Don't want you to go

Don't leave me here  
With my restless heart  
The one you fill with the emotion  
Baby right from the start  
'Cause the hardest part is being alone  
With my restless heart  
Hmmm, with my restless heart

Tell me where you want me  
Anytime, I don't care  
Tell me when you need me  
'Cause baby when you need me  
I will be right there  
(I will be right there)

I'll be damned if  
I'm living without you  
And as long as I live  
You will know

I will never build  
A wall around you  
And I don't want you to go

Don't leave me here  
With my restless heart  
The one you fill with the emotion  
Baby right from the start  
And the hardest part is being alone  
With my restless  
With my restless  
With my restless heart

I'll be damned if  
I'm living without you  
And as long as I live  
You will know

I just wanna build  
My world around you  
I don't want you to go

Don't leave me here  
With my restless heart  
The one you fill with the emotion  
Baby right from the start  
'Cause the hardest part is being alone  
With my restless  
With my restless

With my restless heart

Don't leave me here  
With my restless heart  
The one you fill with the emotion  
Baby right from the start  
'Cause the hardest part is being alone  
With my restless heart  
With my restless

Don't leave me here  
With my restless heart  
The one you fill with the emotion  
Baby right from the start  
'Cause the hardest part is being alone  
With my restless  
With my restless  
With my restless heart
