

Peter Cetera, Save Me

Man all alone, caught in raging water
Man overboard, caught in a terrible storm
Throw me the rope, pull me out of trouble
I need someone, someone to keep me warm
Why don't you save me
I'm burning with desire
Why won't you save me
Don't leave me all alone
And it's all right
Wrap me up, baby won't you take me home

Forty below, high up a lonely mountain
Slipping down, baby I'm sinking fast
Throw me the rope, pull me out of this trouble
S.O.S. don't think I'm gonna last

Why don't you save me
I'm burning with desire
Why won't you save me
Come on hold me tight
And it's all right
Don't you know we're gonna have fun tonight
