You're doing what you think is right  
Yeah, like it's black and white  
Then you're not so sure  
'Cause everything's changing all the time

You're digging deep inside  
In me you can always confide  
You have to trust in yourself  
'Cause everything's changing all the time  
When in your darkest days  
You are the light that shines the way  
...Gotta leave it all behind  
'Cause everything's changing all the time

When you're put to the test  
And you need some tenderness  
Don't let yesterday haunt you  
'Cause everything's changing all the time  
'Cause everything's changing all the time

When things don't seem to go as planned  
And your hopes seem out of reach  
Don't let your fears surround you  
You can't give up now  
And loose what's inside you
