

# Peter Frampton, Got My Feet Back On The Ground

Days are getting brighter  
Nights are creeping in  
My heart's feeling warmer  
It's starting to begin again  
Love's around the corner  
Time feels like, what do I do

Always in my music  
Never lacked a cause  
My head is spinning  
Lady, what I lost  
Like walking thru a blizzard  
Find my way out  
It's like an illusion to me

Looking for a landing  
Trying to get out  
I was wired to the world  
That you dream about  
Think I'm thru with looking  
But got my feet back, back on the ground

People started looking at me  
Every place I go  
Then you realize  
Is it me, that they see  
The story is always over  
The tale's just begun

I'm making every lover  
I made it way to young  
Friends say, don't worry  
What do they know  
I just know they care

People stop and look at me  
Every place I go  
Hey when you realize  
Is it me, that they see  
Hey it's been so long  
Since I really cared  
Now I got this feeling  
Feeling that's so rare  
Cause loves around the corner  
Got my feet back, back on the ground

(Repeat First Verse)

What do I do
