

# Peter Frampton, I Don't Need No Doctor

I don't need no doctor, cause I know what's ailing me  
I don't need no doctor, cause I know what's ailing me  
All I need is my baby, you know I'm in misery

I don't need no doctor, my prescription tells me that  
I don't need no doctor, my prescription tells me that  
All I need is my baby, she knows enough, gonna take care about her mind

I don't need no doctor, I don't need no doctor

Well the doctor said I need rest- ooh ooh  
He put me on the critical list- ooh ooh  
Said to keep me safe from harm- ooh ooh  
All I need is her sweet charm- ooh ooh

She gave me a medicated lotion, he wouldn't sue  
My emotion

I don't need no doctor, I don't need no doctor  
I don't need no

I don't need no doctor, I don't need no doctor  
I don't need no doctor, I don't need no doctor

I don't need no doctor,

I don't need no doctor, I don't need no doctor  
I don't need no doctor, I don't need no doctor
