

# Peter Frampton, Rocky's Hot Club

When we walk alone  
Rocky and me  
So much fun  
Rocky's hot club  
You can join with me  
Rocky's hot club  
Won't you be with me

He can't be anything more than me  
I'm a reflection (I'm a reflection)  
He's a reflection of me  
Oh oh, oh oh

Rocky's hot club  
You can join right now  
Rocky's hot club  
You can join right now

Christmas eve  
Who knew, that you'd be there  
I heard you cry  
Could it be  
Rocky my man  
Always heard about you  
Never thought I'd have  
You for me  
Rocky, my man

Rocky's hot club  
You can join with me  
Rocky's hot club  
Won't you be with me (with me)  
Rocky's hot club  
You can join right now (right now)  
Rocky's hot club  
Join right now  
Rocky's hot club  
You can join with me  
Rocky's hot club  
Be with me, be with me  
Rocky's hot club  
You can join right now  
Rocky's hot club  
Be with me  
He's my friend

Voice says,  
&quot;Beautiful, that was really great&quot;
