

# Peter Frampton, Wind Of Change

The sweetest fragrance, it brings a wind of change  
I feel its now or die  
I have itchy fingers and butterflies a strange  
You know that I live a lie

Take me away, take me away, faking my way through  
Take me away, take me away, faking my way through

Sapphires arent enough to buy me happiness  
Diamonds dont demand me, theyre just for looking  
Love comes close to wrecking all you have to give  
God knows, theres so much to give

Take me away, take me away, faking my way through  
Take me away, take me away, faking my way through

La da da da, like I do  
La da da da, cause all I do is for you  
And all I do is for you, you, and you, and you

La da da da da da da
