All these years that I've been searching -- Lost in the shadow of self doubt
Never knowing where to run to -- Trying to figure it all out
Yeah, there were moments but they didn't last -- They say it's my foolish pride
Built a wall around my heart -- Kept it all inside
Then You -- Came to me -- And You -- Set me free
I'm crying out but no one hears me -- Disappears in the wind
Hear these voices inside me -- Echoing the soul within
I was trying to remember -- How it feels when things are right
No hope for the future -- When there's no love in sight
Then You -- Came to me -- And You -- Set me free
We walk this path together -- May our aim stay true
Hold on to the passion -- There's only one way to go
You don't have to force it -- Just let love grow
Oh You -- Came to me -- And You -- Set me free
I -- Still can't believe -- That You -- Came to me
